بِسْمِ ٱللَّهِ ٱلرَّحْمَٰنِ ٱلرَّحِيمِ

إِنَّ الْحَمْدَ لِلَّهِ نَحْمَدُهُ وَنَسْتَعِينُهُ وَنَسْتَغْفِرُهُ وَنُؤْمِنُ بِهِ وَنَتَوَكَّلُ عَلَيْهِ، وَنَعُوذُ بِهِ مِنْ شُرُورِ أَنْفُسِنَا وَمِنْ سَيِّئَاتِ أَعْمَالِنَا، مَنْ يَهْدِهِ اللَّهُ فَلَا مُضِلَّ لَهُ، وَمَنْ يُضْلِلْ فَلَا هَادِيَ لَهُ، وَأَشْهَدُ أَنْ لَا إِلَهَ إِلَّا اللَّهُ وَحْدَهُ لَا شَرِيكَ لَهُ، وَأَشْهَدُ أَنَّ مُحَمَّدًا عَبْدُهُ وَرَسُولُهُ.

Assalamu alaikum wa rahmatullahi wa barakatuh.

Welcome back to another one of our sessions. Today we'll be looking at a new topic we haven't covered before. Today's topic is **Islam Under Siege**.

Allah Ta'ala has told us on many occasions in the Holy Qur'an that the unbelievers in Allah and His Messenger Muhammad ﷺ, and in the Judgment Day and in Al-Islam, are enemies of Allah Ta'ala and His Messenger, and they are enemies of the Muslims.

Not only did Allah tell us that they are our enemies, but Allah Ta'ala told us that the struggle between Islam and the kuffar — between the Muslims and the unbelievers — is a never-ending struggle.

So Allah said in **Surah Al-Baqarah, verse 120**:

وَلَن تَرْضَىٰ عَنكَ ٱلْيَهُودُ وَلَا ٱلنَّصَٰرَىٰ حَتَّىٰ تَتَّبِعَ مِلَّتَهُمْ

"The Jews and the Christians will never be pleased with you until you follow their evil and corrupted way of life."

The Christians and the Jews will never be contented with you unless you follow their evil and corrupted way of life. And even if you apostate from Islam and follow them in their kufr, they will

never respect you, because they will say, “If you weren’t sincere to your own religion, how can you be sincere to us?” So a kafir will never respect you if you abandon your deen and follow them in their kufr.

But if you hold on to your deen and practice it in its totality, they will give you maximum respect. They won’t love you, but at the end of the day they will respect you.

Then Allah said in the same **Surah Al-Baqarah, verse 217**:

وَلَا يَزَالُونَ يُقَٰتِلُونَكُمْ حَتَّىٰ يَرُدُّوكُمْ عَن دِينِكُمْ إِنِ ٱسْتَطَٰعُواْ

“They will forever and ever fight you for the sake of your deen until they make you apostate, if they have the ability to do so.”

Allah used the word “lā yazālūna” — they will never stop. So this battle is a never-ending battle.

Now you sometimes quote the ayah: “Lakum dīnukum wa liya dīn” — you to your way and me to my way. However, this ayah has been abrogated by Allah Almighty. It’s cancelled, because the kuffar themselves do not believe in “Lakum dīnukum wa liya dīn.” A kafir does not believe in “you to your way and me to my way.” They believe in dictatorship.

They are dictators, and their job is to corrupt the entire universe because they are the henchmen of the Dajjal. The Arabic word Dajjal is taken from the root word *dajl*, which has two meanings.

The first meaning is to deceive. So if a person is deceptive and fraudulent, you can call him a Dajjal, a liar. And Imam Malik classified a hadith scholar who fabricates hadith as “a Dajjal from the many Dajjals.”

The second meaning of the word Dajjal is to spread. Therefore their aim and objective is to spread their filth throughout the entire universe — whether the society is Muslim, Christian, or whatever — their aim is to spread their filth throughout the entire universe.

To prove to you that kuffar don’t believe in “Lakum dīnukum wa liya dīn,” many people say: “If the homosexuals keep it to themselves, that’s fine with me.” Christians speak like this: “If a person wants to be homosexual, gay, and keeps it among themselves in their community, that’s fine with me, as long as they don’t invite me to it.”

But you have seen where the kuffar want to scrap Section 28 and preach homosexuality to your sons and daughters in primary schools, high schools, and all the institutions in this country. Why? Because a kafir does not believe in “Lakum dīnukum wa liya dīn.”

And if they believed in it, why did the people of Lut say: “Akhrijūhum min qaryatikum innahum unāsun yataṭahharūn” — “Drive out the married couple from your city. These are people who want to remain pure.”

They didn’t say that statement, but they stormed the house of Prophet Lut (peace be upon him) to rape his guests. The homosexuals — because they are dictators. Kuffar are dictators, not just homosexuals — every kafir. They are dictators, and they believe in imposing on you their evil and corrupted way of life, and they will never be pleased with you until you follow them in their kufr.

Even if you apostate and follow them, they will never respect you. The way the Turks apostated from Islam to follow the Europeans — they wanted to be Europeans — and still the Europeans don’t accept them and refuse to acknowledge them in the European Union.

So it is better for you to hold on to Islam and have Islam's honour, dignity and prestige, than for you to apostate and become abhorred and disliked both by kuffar and Muslims, the way the Turks are suffering today — abhorred and disliked both by the Ummah and the Europeans.

So it is better for you to hold on to your deen.

Not only is Islam today under siege, but the Rasulullah ﷺ suffered siege. Islam was under siege in the time of the Rasul ﷺ.

You have to understand that the kuffar have five steps towards putting Islam under siege.

The first step is that they ignore you. "He's preaching — ignore him. One day he will run out of words."

When they said that to the Rasulullah ﷺ, Allah said: even if all the seas became ink, and we gave you seven more seas making fourteen seas, and all the trees became pens, and you used those pens and that ink to write about Allah Ta'ala and His deen Al-Islam, the fourteen seas would dry up and the pens would be exhausted and broken, and still you wouldn't have written everything about Allah and His wonderful deen of Islam.

Therefore the Prophet Muhammad ﷺ could never run out of words.

So the first step is: ignore him — one day he and his religion will be forgotten and fall into oblivion.

The second step — when you gain followers, they try to buy you out. They said to the Rasulullah ﷺ: "We'll give you the keys of the Ka'bah, we'll make you our king, our leader. We'll give you all the wealth, silver and gold that you can ever imagine." And in some history books they said, "We'll give you women" — for you to stop preaching this message.

The Prophet ﷺ said: "If you should put the sun in my right hand and the moon in my left hand for me to abandon my mission, I will never stop preaching this message until Allah the Almighty makes it triumphant in the land, or I die before that takes place."

So the Rasul refused to sell out. And the kuffar claim every man has a price. Now when they say "every man has a price," they are talking about kuffar, hypocrites and apostates. A true believer cannot be bought.

A true Muslim cannot be bought. Your price is Paradise — in the bodies of green birds. Can the kuffar give you that? Impossible. Only Allah can give you Paradise. This is why you, the believer, do not sell out — because you know that only Allah can give you what you are yearning for. The kuffar can't give you what you are yearning for.

So when the kuffar say "every man has a price," it is not talking about true Muslims. This statement is for kuffar, hypocrites and apostates.

The third step in putting Islam under siege is character assassination. This is called propaganda warfare. They slander your name in the community, hoping that people will turn their backs on you and abandon you.

So they called the Rasulullah ﷺ a madman, a fortune teller, a soothsayer. They accused him of breaking up families, turning father against son and husband against wife, and they accused him of being a false prophet.

Allah said: “Wa mā ṣāḥibukum bi-majnūn” — “Your companion Muhammad is not mad.” “Wa laqad ra’āhu bil-ufuqil mubīn” — “But he saw Jibril clearly on the horizon” with his six hundred wings, and his height filled the space between the sky and the earth, and when he stretched his wings it filled one side of the horizon to the other.

So Allah said your companion Muhammad is not mad — he saw Jibril clearly on the horizon.

The same strategies of character assassination with their well-oiled Zionist media — calling Muslims fanatics, terrorists, fundamentalists, and so on and so forth. So character assassination will never stop.

The fourth step in putting Muslims and Islam under siege is sanctions and embargo.

So whenever you declare Sharia in a country, they declare that country a rogue state, a terrorist state, and they unleash against you sanctions and embargo.

The Rasulullah ﷺ suffered three years of sanction and embargo in Makkah. The Sahaba had to eat the leaves of the trees to survive. They had to boil the leather from their shoes and eat it to survive. They tied stones on their bellies to quell the pangs of hunger.

They have unleashed against Afghanistan sanctions and embargo. It is said five million Afghans faced starvation this winter because of UN sanctions and embargo unleashed against them because of the Sharia.

So when you implement Sharia you become a rogue state, a terrorist state, and they unleash sanctions and embargo against you.

Don’t think sanctions and embargo is a new thing which the UN have concocted. The Rasul ﷺ suffered sanctions and embargo for three years in Makkah, and some history books say his wife Khadijah died as a result of the starvation.

Allah said in **Al-Baqarah 2:118**: “Tashābahat qulūbuhum” — their hearts are alike, the hearts of the kuffar are alike. So whatever strategies they used yesterday, they are continuing to use those same strategies today.

When you know what was, you will understand what is. And then the present will give you a peep into the future which is yet to come.

This is why it is important for you to study the Seerah, the life of the Rasulullah ﷺ, because history repeats itself. Why? Because the hearts of the kuffar are alike. They may use different means, different apparatus to unleash their kufr because of modern-day technology, but the ideas of how to stifle Islam and put Islam under siege — the strategies remain exactly the same.

The fifth and last step in fighting Islam and Muslims — after they ignore you (that didn’t work), they try to buy you out and you refuse (because your motto is what the Prophet said: “If you put the sun in my right and the moon in my left, I will never sell out”) — this is what we have to say to the USA, the UK, and all the satanic forces in the world today.

When they ignore you, Islam takes off, gains momentum, no turning back — people enter into Islam in multitudes. The buy-out offer didn’t work. The character assassination, propaganda warfare, didn’t work. They become more frustrated. So the fourth step — sanctions and embargoes. And even then you are still surviving. That didn’t work.

The fifth and last step is to kill you physically.

These were the steps that the Quraysh took against the Rasulullah ﷺ and his noble companions in Makkah. So they put seven young men outside his doorstep to kill him from seven different tribes. Now what is this? This is called a coalition.

So you think coalition is a new thing? I'm proving to you that everything you see today happened in the time of the Rasulullah ﷺ.

They said: "If we should take on Muhammad by himself, his tribe will take revenge on us. But if we plant seven men from seven different tribes, his tribe will have to fight seven tribes. How can one tribe fight seven different tribes?"

So what the USA is saying: if I enter into Afghanistan by myself it will be my second Vietnam. But if I get the UK involved, and France, and Italy, and Turkey — this is a coalition.

So the one Islamic state in the world can't fight a coalition. Whose idea was it to have a coalition in the time of the Rasulullah ﷺ? Abu Jahl.

And today you have seen a coalition against Afghanistan.

Allah told you in **Al-Baqarah 2:118**: "Tashābahat qulūbuhum" — their hearts are alike.

So many times you say "that was in the past." That's the past. This is the 21st century. This is what the charlatan wants you to think. There is absolutely no such thing as "the past." Everything which was in the past is alive and deadly in front of your very eyes today.

However, Allah blessed the Rasulullah ﷺ, so he came out of the house and sprinkled dust on their heads, reciting **Surah Yasin**:

وَجَعَلْنَا مِن بَيْنِ أَيْدِيهِمْ سَدًّا وَمِنْ خَلْفِهِمْ سَدًّا فَأَغْشَيْنَاهُمْ فَهُمْ لَا يُبْصِرُونَ

We placed in front of them a barrier, behind them a barrier, we have made them blind so they cannot see.

So as a Muslim it is not for you to fear a coalition. It is not for you to despair.

Many of you, when you see the B-52 bombers, the Tomahawk cruise missiles, the F-16 planes, you despair. What about your tawakkul? You have trust in Allah Ta'ala.

Don't you remember the advice of Ya'qub (peace be upon him) when he was sending his sons to Egypt? He said: "Go and search for my son Yusuf in Egypt, and don't give up, don't despair." Then he said: "Lā tay'asū min rawḥi Allāhi illā al-qawmu al-kāfirūn" — no one despairs except the kuffar, the unbelievers.

So why do you despair? Why can't you be like the Rasulullah ﷺ when he said to Abu Bakr: "Lā tahzan innallāha ma'anā" — don't be afraid, for verily Allah Ta'ala is with us.

So if your deen is sahih (correct), your Lord is Allah the only true God, your Prophet Muhammad ﷺ is the last and final true Prophet, and your Book the Qur'an is the only accurate true Book on the face of the earth, Islam is the only true religion on the face of the earth — why then do you despair in the face of a coalition?

The Prophet didn’t despair. There was a coalition at his doorstep — seven young men from seven different tribes to scatter his blood among seven tribes so that they could take revenge. He didn’t despair. He dropped dust on their heads and migrated to Madinah.

So the coalition that they are putting together in Asia against the Taliban — the Rasulullah ﷺ dropped dust on their heads, and today in this 21st century the Taliban shall put bullets from the Kalashnikov through their heads.

You are not allowed to despair because Allah says: “Inna ma‘al ‘usri yusrā. Inna ma‘al ‘usri yusrā.” After hardship comes ease.

“Huwa alladhī arsala rasūlahu bil-hudā wa dīnil ḥaqqi li-yuẓhirahu ‘alā ad-dīni kullihi wa law karihal mushrikūn.” He it is that has sent His Messenger with guidance and the religion of truth to be victorious over every other religion, even though the mushrikun are vehement in their hatred of it.

The battle between truth and falsehood is never-ending.

Ever since the Rasulullah ﷺ proclaimed his message “Lā ilāha illallāh, Muḥammadun Rasūlullāh” in Makkah, the kuffar were vehement in their hatred of it.

In fact Allah said in **Surah Al ‘Imran 3:118**:

قَدْ بَدَتِ ٱلْبَغْضَآءُ مِنْ أَفْوَٰهِهِمْ وَمَا تُخْفِى صُدُورُهُمْ أَكْبَرُ

Hatred and enmity gushes from their mouths, and what they keep behind in their hearts for you is greater still.

This is what Allah Almighty had to say about the kuffar, past and present.

I have given you the five steps in regards to putting Islam and Muslims under siege, and these five steps are being practised yesterday in the time of the Prophet and today in your midst — you witness it every day with your two eyes on your television screen.

The battle between truth and falsehood is never-ending, as Allah said: “Lā yazālūna yuqātilūnakum ḥattā yaruddūkum ‘an dīnikum in istaṭā‘ū” (Al-Baqarah 2:217) — and they will forever fight you for the sake of your deen until they make you apostate if they have the ability to do so.

Now you are in conflict. Your way of life, Al-Islam, is in conflict with the way of life of the people who are ruling the world.

Who are ruling the world? The people who are ruling the world, unfortunately, happen to be the Jews who are the henchmen of the Dajjal.

And they are so confident in their kufr that they have dug a tunnel underneath Masjid al-Aqsa, the third holy mosque for Muslims, for it to collapse so that they can build in its place the kingdom of Solomon to receive the Dajjal, their king.

The same way you wait for the coming of Jesus, they wait for the coming of the Dajjal. And Jesus is coming to kill the Dajjal, to kill the swine, to break the cross, to lift the jizya — either you take shahada or die — and to lead the Muslims to victory at the Battle of Armageddon, the final showdown between truth and falsehood.

I told you previously that the people who are ruling the world — the Jews — they have enslaved the Gentiles, and they use Gentiles to kill Gentiles. They use goy to kill goy.

So they use the white Gentiles of Europe and America to kill Muslims.

They follow a Nimrod culture, a culture which was concocted by Nimrod, the wicked king who lived in the time of Ibrahim (as), who dumped Ibrahim in the fire.

The Nimrod culture has the following characteristics:

1. They suffer from a god complex.
2. They promote atheism in the society.
3. The eating of pork was started by Nimrod to oppose Prophet Ibrahim (as). So everything Ibrahim did, he did the opposite. He introduced the eating of swine flesh. Now the Europeans are so enthusiastic following their Nimrod culture that chicken and lamb — which is halal to eat — is cheaper than pork in every white society. What is haram they prefer over what is halal.
4. Blasphemy — insulting Allah Ta'ala — is very prevalent in the Nimrod culture.
5. They promote false religions, cults, to combat the truth.
6. They are extremely oppressive with their policies — political, foreign, economic. Their policies are to make the rich richer and the poor poorer.
7. They are proud and arrogant. They are always right, everybody else is always wrong.
8. Sexual perversion — Nimrod himself used to go to bed with his own mother. So sexual perversion is always rife in the European Nimrod culture: incest, fornication, adultery, homosexuality.

They are so fanatical about their sexual perversion they give more rights to a homosexual over you, the Muslim.
If you discriminate against a Muslim at work, it's not a crime in their law books. But if you discriminate against a gay at work, it's a crime in their law books.

So the Dajjal — how does he try to put Islam under siege today?

First of all, he controls the media. CNN is the mouthpiece of the Dajjal.

The same way they slandered the Rasulullah ﷺ fourteen hundred years ago, today they slander you with the CNN.

The Muslims who have been attacked in Europe and America, the backlash is because of the media — the Jewish media. They portray every Muslim as a terrorist, a criminal.

The media was instrumental in creating Islamophobia. Long before this fitnah broke out, they produced movies: Delta Force, Executive Decision, Armageddon, Eagle's Eye, Siege, Under Siege — all these movies were made by Jews to create an atmosphere of Islamophobia.

The backlash against Muslims that you are presently witnessing was planned long before these attacks took place in Washington and New York.

Then the Dajjal has concocted his war machinery: NATO is the army of the Dajjal.

The IMF is the monetary/financial wing of the Dajjal. They use the IMF and World Bank to bankrupt countries and render your currency weak overnight — the way they bankrupted Indonesia and Malaysia because they were Muslim countries.

Then the Dajjal has his political wing, which is the UN.

So whenever they want to massacre, wipe out, annihilate, obliterate a Muslim country with weapons of mass destruction (like what we witnessed with Iraq), first they use the CNN to assassinate the character of that country.

Then they use the IMF to bankrupt that country and render your currency null and void.

Then they use the UN to pass resolutions against you, to classify you as a rogue state, a terrorist state.

Then they move with NATO with weapons of mass destruction and massacre you.

These are the four demonic institutions of the Dajjal.

Any Muslim country who signs up to join NATO (like Turkey did), IMF (like Saudi Arabia did), or the UN (like most Muslim countries do) — the moment you join one of these satanic institutions, you have apostated from Islam. Your shahada is no more. Salat behind you is batil and nullified. When you die you cannot be buried in the burial ground of the Muslims. You have to be buried in the burial ground of the kuffar. Such a government is an apostate regime.

We say the government is a kafir government. The army of that country is a kafir institution. But not the whole country is kafir. That is the Khawarij aqeedah.

The evidence proving that the moment you join the UN or NATO you have left the fold of Islam is in **Surah Muhammad, verses 25-26**:

إِنَّ ٱلَّذِينَ ٱرْتَدُّوا۟ عَلَىٰٓ أَدْبَٰرِهِم مِّنۢ بَعْدِ مَا تَبَيَّنَ لَهُمُ ٱلْهُدَى ٱلشَّيْطَٰنُ سَوَّلَ لَهُمْ وَأَمْلَىٰ لَهُمْ ۝ ذَٰلِكَ بِأَنَّهُمْ قَالُوا۟ لِلَّذِينَ كَرِهُوا۟ مَا نَزَّلَ ٱللَّهُ سَنُطِيعُكُمْ فِى بَعْضِ ٱلْأَمْرِ

Those who apostated from their deen after evidence came to them — the Shaytan has beautified for them their apostasy, and Allah shall prolong their life. That is because they said to those who hate what Allah has revealed: “We shall obey you in some of the matter.”

So we say: NATO, the UN, the UK, the USA — do they love what Allah has revealed or do they hate what Allah has revealed? They hate it.

Allah said: the moment you say to those who hate what Allah has revealed, “We shall obey you in your dictations, your commandments, your resolutions” — you have left the fold of Islam.

Allah Ta’ala also says in **Surah Al-Anfal 8:73**:

وَٱلَّذِينَ كَفَرُوا۟ بَعْضُهُمْ أَوْلِيَآءُ بَعْضٍ

All the kuffar are friends and protectors of each other.

If you, the believers, don’t put your differences aside and become friends and protectors of each other to defend your religion, there will be fitnah and great corruption on the land.

All the kuffar — be it Christian, Jew, Hindu, Sikh, whatever — are friends and protectors of each other. Kufr is one religion. There are only two religions in the world: Islam and kufr.

A Christian loves a Jew more than he loves you, the Muslim. Even though in the Jewish book Jesus is called a bastard child and Mary a prostitute. Yet they still prefer each other because they all belong to the same religion which is kufr.

The battle in the world today is between two groups: those who worship Allah (that’s you) and those who worship their hawa — their evil and corrupted desires.

Among the Muslims you have hypocrites and apostates. The hypocrites who pretend to be Muslims will, when things simmer down, take sides with the kuffar.

Allah says in **Surah Al-Ma'idah 5:51**:

يَـٰٓأَيُّهَا ٱلَّذِينَ ءَامَنُواْ لَا تَتَّخِذُواْ ٱلْيَهُودَ وَٱلنَّصَٰرَىٰٓ أَوْلِيَآءَ

O you who believe, do not take the Jews and Christians as friends and protectors, because they are friends and protectors of each other. And whoever among you takes them as friends, then he is one of them.

The foreign policy of America should not surprise you if you read the Qur'an.

Then Allah says in the next ayah (5:52):

فَتَرَى ٱلَّذِينَ فِى قُلُوبِهِم مَّرَضٌ يُسَٰرِعُونَ فِيهِمْ

You will see those in whose hearts is a disease (the disease of hypocrisy) rushing to take the Jews and Christians as friends.

They say: "We fear that a calamity might befall us." So they join the coalition against the Taliban because they fear fundamentalism in their own country.

You have seen 100 fighter planes packed on aircraft carriers rushing to the Arabian Gulf and the Indian Ocean — all this for one man, Osama bin Laden? Do you believe that?

The kuffar have a way of starting wars. When they wanted to crush Saddam Hussein they started the second Gulf War. Today the Taliban have implemented Sharia and they call it a rogue state. They are afraid of the domino effect: one Sharia state, then a second, third, fourth, fifth…

Where does that leave democracy? Where does that leave the USA, the UK, Europe? Where is the Western civilization? Where is the satanic system? Where are the Freemasons, the Illuminati, the devil worshippers?

The domino effect of Sharia states is a threat to their way of life. So they say: "This is not an attack on one country, this is an attack on our civilization." So they have to form a coalition to crush the one and only Islamic state in the world to stop the domino effect and safeguard their demonic civilization.

It is called "resist to exist." If we don't resist Islam, we the henchmen of the Dajjal will cease to exist.

When they say "hand over Osama bin Laden," they haven't produced any evidence that he was involved.

The Prophet ﷺ said: "If we should give people what they want every time they ask for it, people would claim the lives and properties of each other."

The burden of proof is on the plaintiff. "Al-bayyinatu ʻalā al-muddaʻī" — the one making the claim must produce the proof.

According to Islamic civilisation, every man is innocent until proven guilty. Not like America — they say Osama is guilty even though they don't have an atom's weight of proof.

Osama bin Laden is only a scapegoat. This war was planned by the Illuminati and the Freemasons to wipe out Afghanistan, the only Islamic state in the world today.

There is a concept called Al-Wala’ wal-Bara’ — loving and hating for the sake of Allah.

Allah said in **Surah Al-Mujadilah 58:22**:

You will never find people who believe in Allah and the Last Day taking for their friends and allies the enemies of Allah and His Messenger — even if they are your parents, your children, your brothers and sisters.

All the Muslim countries who joined the coalition and took the enemies of Islam as friends and allies have apostated from Al-Islam and they have absolutely no Al-Wala’ wal-Bara’.

Giving airspace, providing intelligence, spying for the kuffar — all of that makes you a kafir. All four schools of thought agree it is ijma‘: spying for the kuffar causes you to become a kafir, and the punishment for a spy in Islam is death.

We are going through a dangerous time. This is a test for the scholars.

George Bush said: “Who are you with? Are you with us the USA or with the terrorists?”

We are asking the Muslim scholars the same question: “Who are you with? Are you with the USA or with Allah and with Islam?”

This is a testing time for the Muslim scholars.

What is the greatest weapon of the Muslims? The mimbar (the pulpit).

Did you see what took place yesterday in Pakistan? The mimbar was used as a weapon in Pakistan. The scholars in Peshawar were rallying the people for jihad.

History repeats itself. In the time of the Rasulullah ﷺ we had two superpowers: Persia and Rome.

Today we have two superpowers: Russia (the former USSR) and the USA.

The Muslims were used to defeat the USSR. There is no more USSR.

Just like yesterday, the way the Muslims defeated the Persians and the Romans, today the Muslims shall defeat Russia and America.

USSR had her Vietnam in Afghanistan. America is so filled with pride. Pride is a disease of the heart that blurs your vision so you are unable to think.

If you couldn’t survive in Somalia, how can you survive in Afghanistan? But because of pride, she wants to go into Afghanistan.

There are certain diseases of the heart: greed, lust, pride — once you have them, you can’t think anymore.

Because of America’s pride she has gained enemies from the four corners of the world.

Do you think Europeans love America? Allah told you in **Surah Al-Hashr 59:14** (or similar): “Taḥsabu hum jamī‘an wa qulūbuhum shattā” — you think they are united but their hearts are divided.

Many Europeans are asking: why the American double standard? The money that buys weapons for the IRA — where does it come from? America. And these weapons are used to kill British citizens.

You cry foul play when others do terrorism, but you are the biggest terrorists in the world.

This is a big trial for the scholars. Are you going to use the mimbar to wake up the Ummah — which is the greatest weapon of the Muslims — or are you going to lull the Muslims to sleep the way you have conferences in Leicester?

A scholar is one whose knowledge causes him to fear Allah. If you have twenty or thirty years of Islamic knowledge, you have memorised the Qur'an and one hundred thousand hadith, and your knowledge did not cause you to fear Allah enough to tell the Muslims the truth and wake up the Ummah of Muhammad ﷺ **—** then you are not a scholar, you are a shaytan.

The scholars in Pakistan have passed the test because they turned the mimbar into a weapon to wake up the Ummah.

Therefore when America goes to Afghanistan, it shall become their second Vietnam, insha'Allah.

The days for soft Islam are over. There is no more leaflet manhaj, no more curry manhaj, no more democracy manhaj. There is only one way forward for you now, and that is jihad fi sabilillah.

Even if you don't want to do jihad, the kuffar are going to bring it to your doorstep.

The days for soft Islam are over because the kuffar are not preaching soft — they are killing you in Chechnya, in Palestine, in Iraq every day.

Even if you don't want to wake up, the kuffar are forcing you to wake up — willingly or unwillingly.

The wicked scholars are also united in taking sides with Shaytan. These wicked scholars are not scholars — they are politicians. They pass fatwas for political expedience. They worship their bellies and their private parts, that's why they sell out. They are in the pockets of their governments, their governments are in the pocket of America, America is in the pocket of Israel, and Israel is in the pocket of Shaytan.

Allah told you about the wicked scholars in **Surah Al-A'raf 7:175-176**: the one who was given knowledge but he abandoned it — the Shaytan followed him, he became of those who are astray. He hung on to the dunya and worshipped his desires. His similitude is like the dog: whether you leave it or drive it away, it still lolls its tongue out.

These wicked scholars are like dogs — whether you give them knowledge or not, their behaviour is one: treachery and selling out.

Brothers and sisters in Islam, what time are you living in?

The Prophet ﷺ prophesied many things. You are living in the time in which the Prophet said all the nations of the world will be gathered together to wipe you out the way people gather around a table to partake of its meal.

You are living at a time in which to hold on to your deen is like holding on to hot burning coals.

You are living at a time in which a man will go to his bed as a Muslim and wake up as a kafir because he sold his deen for dunya.

You are living at a time in which trust will be taken from the hearts of men. You don't know who to trust.

This is the last days, brothers and sisters in Islam.

I used to tell you that the leaders of the Muslim world are kuffar. Many of you called me Khawarij, many of you called me a fitnah-maker, many of you said I am takfir-happy. Now you have seen the result of having wicked scholars and apostate rulers ruling over you.

Even if you never believed me in the past, now that they have given their bay‘ah to the Crusaders to fight against Islam, this should convince you.

President Bush used the word “crusade” ten times. This is a crusade.

I pray that Allah Ta’ala makes us among those who will say to the kuffar: “If you put the sun in my right hand and the moon in my left hand, I will never sell out.”

I pray that Allah makes us among those who will not run away from the battlefield but will face the kafir.

I pray that Allah makes us among those who will revive the sixth pillar of Islam — jihad fi sabilillah.
